DISTRICT 22

HELP SHAPE

California

Have you ever wanted to make a positive difference in your community, but weren't sure how?

Speaker Anthony Rendon and **Speaker pro Tempore Kevin Mullin**, are hosting an appointments workshop to actively engage our community in the appointments application process. Appointments provide an opportunity for civic engagement and the chance to enrich the lives of all Californians. We hope that you will join us for an open discussion on the best practices for successfully applying to state boards and commissions.
